**Is there any hope for me at the ending of my days?**

**D#m B F#**  
**With the shadows drawing in on me?**

**Is there any hope for me, is death my enemy?**

**D#m B C#sus C#**  
**Will any part of me survive?**

**B F#/A# G#m F#/A#**  
**My heart is full of questions, who I am? and what I've done?**

**B F#/A# C#**  
**But I'm holding on to one thing that is true**

**B C# F#**  
**That the only hope for me is You.**

**Is there any hope for me will I be truly free?**
