

Let me carry you home

Em D/F# G C
Every journey has a distance,
Em D/F# C
Where it comes to an end.
Em D/F# G C
I wish that I had, the words that I need
Em D/F# C
To bid you farewell my friend
Am G/B D G
Soon the path you walk will lead you to the door
Am G/B C D
To a place where I can't follow any more

Let me carry you home
D/F# C
To the Father who's waiting

D/F# C D
From the burdens of all you leave behind
C G/B D
Jesus is holding your hand

So in death, you're not alone

For He can lead you home

Every river finds an ocean
Where in the end it must go.
I wish that I had the words that I need
For all I want you to know.
That you'd know His love, for this I will pray
That his majesty would take your breath away
