V2

Pressing on through all years

Through the joys and through the tears
Knowing you would win in the end.
Gave your life to Jesus Christ
For only He can satisfy your deepest needs
He alone
Up ahead your Father waits
As all of heaven celebrates
His faithful child is home.

Chorus 2

Welcome Home, welcome home
You have run the race and fought the fight well done
Welcome Home, welcome home
Now you can receive the prize
Look into your Father's eyes.
Well done, welcome home.

All your weariness is gone
Up ahead your Father waits
As all of heaven celebrates
His faithful child is home.
